# <u>VERIFIED COMPLAINT FOR</u> DECLARATORY JUDGMENT AND INJUNCTIVE RELIEF

#### **NATURE OF ACTION**

1. This action seeks a declaratory judgment that the "Local Financial Stability and Choice Act," 2012 PA 436, MCL 141.1541 et seq ("PA 436") is unconstitutional and in violation of

13-53846-swr Doc 1219-2 Filed 10/17/13 Entered 10/17/13 13:56:17 Page 3 of 20 894 13-53846-tjt Doc 2334-26 Filed 12/27/13 Entered 12/27/13 13:37:04 Page 8 of 57

Article IX Section 24 of the Michigan Constitution because PA 436 permits accrued pension benefits to be diminished or impaired by bankruptcy proceedings in direct contravention of the Constitution. This action also seeks a preliminary and/or final injunction enjoining the Governor and/or the State Treasurer from authorizing a bankruptcy proceeding permitting an unconstitutional diminishment or impairment of accrued pension benefits under PA 436.

#### PARTIES, JURISDICTION AND VENUE

- 2. Plaintiff Gracie Webster is a retiree from the City of Detroit. She retired in 2000 and is receiving a pension benefit under the City of Detroit's General Retirement System Pension Plan. She resides in Detroit and is a citizen of the State of Michigan.
- 3. Plaintiff Veronica Thomas is an employee of the City of Detroit. She has worked for the City for 17 years. She is a participant in the City of Detroit's General Retirement System Pension Plan. Although she has not yet retired, based on her years of service Plaintiff Thomas has earned the right to an accrued vested pension benefit under the terms of the pension plan.
- 4. Defendant State of Michigan is a governmental entity and sovereign state of the United States, retaining all powers reserved to it under the 10<sup>th</sup> Amendment to the United States Constitution.
- 5. Defendant Richard Snyder is the Governor of the State of Michigan acting in his official capacity.
- 6. Defendant Andy Dillon is Treasurer of the State of Michigan acting in his official capacity.
- 7. The Governor may delegate his duties under Section 9 of PA 436, MCL 141.1549 to the State Treasurer.
- 8. This court has jurisdiction under MCL 600.6419(4), which provides for the jurisdiction of circuit courts in proceedings for declaratory or equitable relief against the State, and

13-53846-swr Doc 1219-2 Filed 10/17/13 Entered 10/17/13 13:56:17 Page 4 of 20 895 13-53846-tjt Doc 2334-26 Filed 12/27/13 Entered 12/27/13 13:37:04 Page 9 of 57

MCL 600.605, which provides original jurisdiction in the circuit courts.

9. Venue is proper in this court under MCL 600.1621(a), because Defendants conduct business in Ingham County.

#### **COUNT I: DECLARATORY JUDGMENT**

PA 436 Is Unconstitutional Because It Permits Accrued Pension Benefits To Be Diminished Or Impaired In Direct Violation Of Article IX, Section 24 Of The Michigan Constitution

- 10. Article IX Section 24 of the Michigan Constitution provides in pertinent part:
  - The accrued financial benefits of each pension plan and retirement system of the state and its political subdivisions shall be a contractual obligation thereof which shall not be diminished or impaired thereby.
- 11. PA 436 was enacted by the Michigan Legislature on December 28, 2012 and became effective March 28, 2013.
- 12. Among the purposes of PA 436, as stated in its preamble, are to "prescribe remedial measures to address a financial emergency within a local unit of government;" "to prescribe the powers and duties of an emergency manager for a local unit of government;" and "to provide a process by which a local unit of government... may file for bankruptcy."
- 13. On March 14, 2013, Defendant Snyder appointed Kevyn Orr as Emergency Financial Manager for the City of Detroit, pursuant to 1990 PA 72, MCL 141.1201 *et seq* ("PA 72"). PA 436 is a successor statute to, and expressly repeals, PA 72.
- 14. Pursuant to Sec 9(10) of PA 436, MCL 141.1549(10), Kevyn Orr, as an emergency financial manager appointed under former 1990 PA 72 "and serving immediately prior to the effective date of this act, shall be considered an emergency manager under this act [PA 436] and shall continue under this act to fulfill his or her powers and duties."
  - 15. Chapter 9 of the U.S. Bankruptcy Code, 11 USC §§901 et seq, provides a process by

which a municipality may file for bankruptcy and become a debtor under Chapter 9 in federal bankruptcy court.

- 16. However, in order to protect state sovereignty and in recognition of federalism principles under the 10<sup>th</sup> Amendment to the U.S. Constitution, Chapter 9 of the Bankruptcy Code prohibits municipalities from filing for bankruptcy unless the municipality "is specifically authorized, in its capacity as a municipality or by name, to be a debtor under such chapter by State law, or by a governmental officer or organization empowered by State law to authorize such entity to be a debtor under such chapter." Absent such authorization, federal bankruptcy courts have no jurisdiction under Chapter 9 over a municipality as a debtor. 11 USC §109(c)(2). See Ashton v Cameron County Water Improvement Dist No 1, 298 US 513; 56 S Ct 892; 80 L Ed 1309 (1936); and United States v Bekins, 304 US 27, 58 S Ct 811; 82 L Ed 1137 (1938).
- 17. Section 18 of PA 436, MCL 141.1558, specifically authorizes a local unit of government to become a debtor in a Chapter 9 bankruptcy proceeding if the emergency manager for the local government recommends to the Governor and the State Treasurer that the local government be authorized to proceed under Chapter 9, and if the Governor approves the recommendation by informing the emergency manager and State Treasurer in writing of his decision.
- 18. PA 436 nowhere requires that in considering whether to approve an emergency manager's recommendation to proceed under Chapter 9, the Governor shall not approve such recommendation if accrued pension benefits may be diminished or impaired in violation of Article IX Section 24 of the Michigan Constitution.
- 19. Accordingly, because PA 436 does not prohibit a municipality from proceeding under Chapter 9 of the U.S. Bankruptcy Code if accrued pension benefits may be unconstitutionally diminished or impaired, PA 436 is unconstitutional on its face in violation of Article IX Section 24 of the Michigan Constitution.

13-53846-swr Doc 1219-2 Filed 10/17/13 Entered 10/17/13 13:56:17 Page 6 of 20 897 13-53846-tjt Doc 2334-26 Filed 12/27/13 Entered 12/27/13 13:37:04 Page 11 of

57

- 20. Section 11 of PA 436, MCL 141.1551, provides that "an emergency manager shall develop and may amend a written financial operating plan for the local government [and that] [t]he financial and operating plan shall provide for . . . [t]he timely deposit of required payments to the pension fund for the local government or in which the local government participates."
- 21. On May 12, 2013, Emergency Manager Orr issued a financial and operating plan pursuant to Section 11 of PA 436. (Available at www.freep.com/assets/freep/pdf/C4205233512.pdf.)

  The plan does not schedule the "timely deposit of required payments" to the pension funds as required by Section 11 of PA 436, but instead notes that payments have been deferred to manage a liquidity crisis.
- 22. On June 14, 2013, Emergency Manager Orr issued a "Proposal for Creditors" in which he presents various restructuring options. (Available at http://www.freep.com/assets/freep/pdf/C4206913614.pdf.) Nowhere in this document does Emergency Manager Orr indicate any intent to comply with Article IX Sec 24 of the Michigan Constitution. Instead, in direct contravention of the Michigan Constitution, the proposal expressly states that "there must be significant cuts in accrued, vested pension amounts for both active and currently retired persons."
- 23. Emergency Manager Orr has publicly threatened, in a June 14 interview with the Detroit Free Press Editorial Board, that vested pension benefits will be abrogated in a Chapter 9 proceeding authorized by the Governor pursuant to PA 436, and that any state law protecting vested pension benefits is "not going to protect" retirees or employees with vested pension benefits in bankruptcy court. (See www.freep.com/article/20130616/OPINION05/306160052/kevyn-orr-detroit-emergency-manager-creditors-fiscal-crisis.)
- 24. Article IX Section 24 of the Michigan Constitution is such a state law, which Emergency Manager Orr has asserted will "not . . . protect" vested pension benefits.

57

- 25. Under PA 436, the only way Emergency Manager Orr could impose his desired "significant cuts in accrued, vested pension amounts for both active and currently retired persons" is through a Chapter 9 bankruptcy filing.
- 26. Plaintiffs are entitled to a declaratory judgment that PA 436 is unconstitutional under Article IX Section 24 of the Michigan Constitution because PA 436 does not prohibit the Governor from authorizing a Chapter 9 bankruptcy filing which threatens to unconstitutionally diminish or impair the Plaintiffs' accrued pension benefits, and a final judgment ordering that Defendant Snyder and/or Defendant Dillon not authorize a Chapter 9 filing which threatens to diminish or impair accrued pension benefits in violation of the Michigan Constitution.
- 27. This case presents an actual controversy entitling Plaintiffs to a declaratory judgment because the facts stated above indicate "an adverse interest necessitating the sharpening of the issues raised." Lansing School Education Ass'n v Lansing Bd of Educ, 487 Mich 349, 372 n20; 792 NW2d 686 (2010), quoting Associated Builders and Contractors v Dep't of Consumer and Indus Servs Dir, 472 Mich 117, 126; 693 NW2d 374 (2005). Plaintiffs are entitled to a declaratory judgment here "to obtain adjudication of rights before an actual injury occurs [and] to settle a matter before it ripens into a violation of the law . . ." Rose v State Farm Mut Auto Ins Co, 274 Mich App 291, 294; 732 NW2d 160 (2006).
- 28. Plaintiff's need for a Declaratory Judgment is urgent. Based on the above facts, a request by the Emergency Manager to proceed under Chapter 9 is imminent, because he has credibly threatened indeed, has given every indication that he intends to impair or diminish accrued pension benefits in contravention of Article IX Section 24 of the Michigan Constitution, and that Chapter 9 bankruptcy proceedings are the mechanism by which he can do so. Thus Plaintiff's' rights under the Michigan Constitution not to have their pension benefits "diminished or impaired" can

13-53846-swr Doc 1219-2 Filed 10/17/13 Entered 10/17/13 13:56:17 Page 8 of 20 899 13-53846-tjt Doc 2334-26 Filed 12/27/13 Entered 12/27/13 13:37:04 Page 13 of

only be guaranteed if this Court acts *before* the Governor approves a request to proceed under Chapter 9. Moreover, Emergency Manager Orr's threats that he will unconstitutionally diminish or impair Plaintiffs' vested pension rights have themselves harmed Plaintiffs by instilling in Plaintiffs a reasonable fear that their constitutional rights will be trampled upon and, in the process, their future source of income drastically eroded.

29. Accordingly, Plaintiffs are entitled to a speedy hearing under MCR 2.605(D) on their request for declaratory relief.

#### **COUNT II: PRELIMINARY INJUNCTION**

- 30. Plaintiffs incorporate by reference the allegations in paragraphs 1 through 29 above.
- 31. Plaintiffs will suffer irreparable harm if Defendants Snyder and Dillon are not enjoined from authorizing the Emergency Manager to proceed under Chapter 9 of the U.S. Bankruptcy Code and thereby seeking to abrogate Plaintiffs' rights under the Michigan Constitution and the source of livelihood it guarantees them in a forum which the Emergency Manager contends does not protect those rights.
- 32. The harm to Plaintiffs absent injunctive relief outweighs the harm to Defendants if an injunction is granted because the Governor and Treasurer will not be harmed if they are enjoined from authorizing the Emergency Manager to file under Chapter 9.
  - 33. Plaintiffs are likely to succeed on the merits.
- 34. There will be harm to the public interest absent an injunction, as the accrued vested pension rights of thousands of City of Detroit retirees and employees will be threatened with abrogation in violation of the Michigan Constitution.

#### RELIEF REQUESTED

WHEREFORE, Plaintiffs respectfully request that this Honorable Court grant the following relief:

- A. A declaratory judgment that PA 436 is unconstitutional in violation of Article IX Section 24 of the Michigan Constitution.
- B. A preliminary and/or permanent injunction enjoining Defendant Snyder and Defendant Dillon from authorizing the Detroit Emergency Manager to commence proceedings under Chapter 9 of the U.S. Bankruptcy Code.
- C. An award to Plaintiffs of their costs and expenses, including attorneys' fees, incurred in this action.

# BRIEF IN SUPPORT OF MOTION FOR DECLARATORY JUDGMENT AND EXPEDITED HEARING PURSUANT TO MCR 2.605(D), OR IN THE ALTERNATIVE FOR PRELIMINARY INJUNCTION.

This action seeks a declaratory judgment that the "Local Financial Stability and Choice Act," 2012 PA 436, MCL 141.1541 et seq. ("PA 436") is unconstitutional in violation of Article IX Section 24 of the Michigan Constitution, which expressly protects vested pension rights by requiring that "[t]he accrued financial benefits of each pension plan and retirement system of the state and its political subdivisions . . shall not be diminished or impaired . . ."

57

Pursuant to MCR 2.605(D), "[t]he court may order a speedy hearing of an action for declaratory relief and may advance it on the calendar" in appropriate cases. This is such a case. Plaintiffs, a City of Detroit pensioner who retired 13 years ago, and a City of Detroit employee with 17 years of accrued vested service, are facing an imminent threat that their vested pension rights will be irreparably and permanently diminished and impaired in a Chapter 9 bankruptcy proceeding authorized by PA 436, in direct violation of Article IX Section 24 of the Michigan Constitution. In the alternative, Plaintiffs are seeking a preliminary injunction enjoining Defendant Governor Snyder and Defendant State Treasurer Dillon from authorizing a Chapter 9 bankruptcy under PA 436.

#### **FACTS**

Plaintiffs incorporate herein the facts stated in the Verified Complaint. This case presents essentially a pure question of law. The pertinent facts are not in dispute.

Kevyn Orr currently serves as the Emergency Manager of the City of Detroit under PA 436. Under Section 18 of PA 436, Defendant Governor Snyder is empowered to authorize Orr to file for Chapter 9 bankruptcy on behalf of the City if the Governor approves the Emergency Manager's recommendation to do so.

On June 14, 2013, Emergency Manager Orr issued a "Proposal for Creditors" which expressly states that "there must be significant cuts in accrued, vested pension amounts for both active and currently retired persons." The same day, Emergency Manager Orr publicly threatened, in an interview with the Detroit Free Press Editorial Board, that vested pension benefits will not be protected in a Chapter 9 proceeding authorized by the Governor pursuant to PA 436, and that any state laws protecting vested pension benefits will "not . . . protect" retirees in bankruptcy court. As the Emergency Manager stated in the interview:

- Q. You said in this report that you don't believe there is an obligation under our state constitution to pay pensions if the city can't afford it?
- A. The reason we said it that way is to quantify the bankruptcy question. We think federal supremacy trumps state law.
- Q. Which the Ninth Circuit agrees with for now.
- A. It is what it is so we said that in a soft way of saying, "Don't make us go into bankruptcy." If you think your state-vested pension rights, either as an employee or a retiree that's not going to protect you. If we don't reach an agreement one way or the other, we feel fairly confident that the state federal law, federalism, will trump state law or negotiate. The irony of the situation is we might reach a deal with creditors quicker because employees and retirees think there is some benefit and that might force our hand. That might force a bankruptcy. (Emphasis added.)

#### **LAW**

Plaintiffs are entitled to a declaratory judgment that PA 436 is unconstitutional in violation of Article IX Section 24 of the Michigan Constitution, because PA 436 permits accrued pension benefits to be diminished or impaired in direct contravention of the Constitution. Article IX Section 24 provides that "[t]he accrued financial benefits of each pension plan and retirement system of the state and its political subdivisions shall be a contractual obligation thereof which shall not be diminished or impaired thereby." There could not be a more clear and plain constitutional mandate. Article IX Section 24 means what it says: accrued pension benefits "shall not be diminished or impaired." See, AFT Michigan v State of Michigan, 297 Mich App 597, 610; 825 NW2d 595 (2012); Mt Clemens Firefighters Union, Local 838, IAFF v City of Mt Clemens, 58 Mich App 635, 644; 228 NW2d 500 (1975). The Official Record of the 1963 Constitutional Convention further supports that no governmental entity or its officials can do anything to diminish or impair vested pension benefits:

This is a new section that requires that accrued financial benefits of each pension plan and retirement system of the state and its political subdivisions be a

contractual obligation which cannot diminished or impaired by the action of its officials or governing body.

2 Official Record, Constitutional Convention 1961, p. 3402 (emphasis added).

Chapter 9 of the U.S. Bankruptcy Code, 11 USC §§901 et seq., provides a process by which a municipality may file for bankruptcy. However, because of federalism concerns and to protect the states' sovereignty, Chapter 9 prohibits a municipality from filing for bankruptcy unless "specifically authorized, in its capacity as a municipality or by name, to be a debtor under such chapter by State law, or by a governmental officer or organization empowered by State law to authorize such entity to be a debtor under such chapter." 11 USC §109(c)(2). Indeed, many states simply do not authorize their municipalities to file for bankruptcy at all. Absent such authorization, federal bankruptcy courts have no jurisdiction under Chapter 9 over a municipality as a debtor. See Ashton v Cameron County Water District No 1, 298 US 513; 56 S Ct 892; 80 L Ed 1309 (1936); and United States v Bekins, 304 US 27; 58 S Ct 811; 82 L Ed 1137 (1938).

Section 18 of PA 436 authorizes a municipality to commence Chapter 9 bankruptcy proceedings if the emergency manager appointed under PA 436 recommends, and the Governor authorizes, that the municipality file for bankruptcy under Chapter 9.

Notably, PA 436 explicitly recognizes that accrued pension benefits shall not be diminished or impaired outside the bankruptcy context. But PA 436 nowhere requires that the Governor shall not authorize a Chapter 9 bankruptcy filing if accrued pension benefits may be diminished or impaired thereby in violation of Article IX Section 24. For example, Section 11 of PA 436 requires that an emergency manager develop a written financial and operating plan for the local government and that such plan "shall provide" for "the timely deposit of required payments to the pension fund for the local government." For example, Section 13 of PA 436 authorizes the emergency manager to eliminate the salary, wages or other compensation and

benefits of the chief administrative officer and members of the governing body of the local government, but expressly provides that "[t]his section does not authorize the impairment of vested pension benefits." For example, Section 12(m) of PA 436 authorizes an emergency manager under certain circumstances to be appointed as the sole trustee of a local pension board and to replace the existing trustees, and requires that "the emergency manager shall fully comply with . . . Section 24 of Article IX of the state constitution . . ." when acting as the sole trustee.

By contrast, Section 18 of PA 436, which empowers the Governor to authorize a municipality to file for bankruptcy under Chapter 9, nowhere requires that the Governor shall not authorize such filing if accrued pension benefits may be unconstitutionally diminished or impaired. Clearly, the Legislature understood and honored the constitutional mandate not to diminish or impair accrued pension benefits outside of bankruptcy. Just as clearly, the Legislature omitted any constitutional protection against the impairment or diminishment of accrued pension benefits when the Governor authorizes a Chapter 9 bankruptcy filing under Section 18 of PA 436. In other words, by expressly including the protection of Article IX Section 24 in various sections of the law, but not Section 18, PA 436 plainly excludes those protections from Section 18. Accordingly, PA 436 is unconstitutional on its face because it does not prohibit a municipality from proceeding under Chapter 9 if accrued pension benefits may be unconstitutionally diminished or impaired, in violation of Article IX Section 24 of the Michigan Constitution.

Plaintiffs are entitled to a declaratory judgment that PA 436 is unconstitutional under Article IX Section 24 of the Michigan Constitution because PA 436 does not prohibit the

57

<sup>&</sup>lt;sup>1</sup> This conclusion is supported by the traditional maxim "expressio unius est exclusio alterius" (to express one thing is to exclude another). See, e.g., Smitter v Thornapple Twp, \_\_\_\_\_\_ Mich \_\_\_\_\_, 2013 Mich Lexis 912, \*19, n 34 (June 19, 2013); Johnson v Recca, 492 Mich 169, 176, n 4; 821 NW2d 520 (2012).

Governor from authorizing a Chapter 9 bankruptcy filing which threatens to unconstitutionally diminish or impair the Plaintiffs' accrued pension benefits.

Plaintiffs' need for a Declaratory Judgment is urgent. The facts show that a request by the Emergency Manager to proceed under Chapter 9 is imminent, because he has given every indication that he intends to impair or diminish accrued pension benefits in contravention of Article IX Section 24 of the Michigan Constitution. Plaintiff's' rights under the Michigan Constitution not to have their pension benefits "diminished or impaired" can only be guaranteed if this Court acts *before* the Governor approves a request to proceed under Chapter 9.

This case presents an actual controversy entitling Plaintiffs to a declaratory judgment because the facts indicate "an adverse interest necessitating the sharpening of the issues raised." Lansing School Education Ass'n v Lansing Bd of Educ, 487 Mich 349, 372 n20; 792 NW2d 686 (2010), quoting Associated Builders and Contractors v Wilbur, 472 Mich 117, 126; 693 NW2d 374 (2005). Plaintiffs are entitled to a declaratory judgment here "to obtain adjudication of rights before an actual injury occurs [and] to settle a matter before it ripens into a violation of the law.

. "Rose v State Farm Mutual Auto Insurance Co, 274 Mich App 291, 294; 732 NW2d 160 (2006). (emphasis supplied)

This case presents the classic case for declaratory relief. Plaintiffs cannot wait to protect their constitutional rights until after the Governor authorizes a Chapter 9 filing. "Declaratory relief is designed to give litigants access to courts to preliminarily determine their rights. . . . the court is not precluded from reaching issues before actual injuries or loses have occurred." *City of Detroit v State of Michigan*, 262 Mich App 542, 550-551; 686 NW2d 514 (2004), citing *Shavers v Attorney General*, 402 Mich 554, 588-589; 267 NW2d 72 (1978) (explaining that plaintiff's request for declaratory relief "does not rely on the state having already violated the zoning ordinance [but] rather properly requests a determination whether the state had the

authority to proceed as planned"). Moreover, the Emergency Manager is admittedly using the threat of bankruptcy to force vested pensioners and employees to accede to his attempts to diminish and impair their accrued benefits **now**. Thus the harm to Plaintiffs is both imminent and actual.

Under MCR 2.605(D), this Court can and should order a speedy hearing and advance this case on the calendar. The need is urgent. See, Longhofer, 3 Michigan Court Rules Practice §2605.7 at 390. (Speedy hearing under 2.605(D) "will be done most frequently in actions involving clear-cut legal issues of public importance, with no factual issues to be tried"). See also, Kuhn v Department of Treasury, 384 Mich 378, 386-387; 183 NW2d 796 (1971) ("moving party is entitled to an expeditious disposition by the courts so that the right . . . guaranteed by the constitution is not jeopardized."); State Farm v Savickas, 1998 Mich App Lexis 984 (1998) (trial court accelerated trial and entered judgment, as authorized by MCR 2.605(D)).

In the alternative, Plaintiffs are entitled to a preliminary injunction. In deciding whether to issue a preliminary injunction, the court must weigh the following factors:

Whether (1) the moving party made [a] required demonstration of irreparable harm, (2) the harm to the applicant absent such an injunction outweighs the harm it would cause to the adverse party, (3) the moving party showed that it is likely to prevail on the merits, and (4) there will be harm to the public interest if an injunction is not issued.

First, Plaintiffs will be irreparably harmed if the Governor authorizes a Chapter 9 filing in which the Emergency Manager has stated he intends to diminish or impair vested pension benefits in violation of Article IX Section 24. Because bankruptcy may foreclose further options or financial relief, this is not a case where money damages could remedy the constitutional impairment of Plaintiff's pension rights. Second, the Governor and Treasurer will not suffer any harm if they are enjoined from authorizing a Chapter 9 bankruptcy that would violate the Constitution's protection for Detroit's vested pensioners and employees. "[I]f the plaintiff shows

a substantial likelihood that the challenged law is unconstitutional, no substantial harm to others can be said to inhere its enjoinment." Déjà vu of Nashville v Metro Gov't of Nashville and Davidson City, 274 F3d 377, 400 (CA6, 2001). Third, for all the reasons stated above in support of a declaratory judgment, Plaintiffs are likely to succeed on the merits. Fourth, the public interest will be saved by upholding the Constitution's protection for thousands of long term City of Detroit retirees.

#### **CONCLUSION**

Plaintiffs respectfully request that this Court grant a declaratory judgment and permanent injunction and/or preliminary injunction in their favor, as specified in the Verified Complaint.

Respectfully submitted,

# DEFENDANTS' RESPONSE TO PLAINTIFFS' MOTION FOR DECLARATORY JUDGMENT OR PRELIMINARY INJUNCTION AND BRIEF IN SUPPORT OF DEFENDANTS' MOTION FOR SUMMARY DISPOSITION

#### **Statement of Facts**

Plaintiffs, as beneficiaries of the City of Detroit's pension system, bring a facial constitutional challenge to the Local Financial Stability and Choice Act (Act), MCL 141.1541, et seq, asserting that the Act is unconstitutional because it permits the Governor to authorize a

proceeding in Chapter 9 bankruptcy, allegedly in violation of Const 1963, art 9, § 24. They seek a declaratory judgment that the Act "is unconstitutional and in violation of [art 9, § 24] of the Michigan Constitution because [the Act] permits accrued pension benefits to be diminished or impaired by bankruptcy proceedings in direct contravention of the Constitution." (Complaint, ¶ 1). Plaintiffs have moved for an expedited hearing on their request for declaratory relief, or request in the alternative a preliminary injunction enjoining the Governor from authorizing a bankruptcy proceeding under the Act.

Section 18(1), MCL 141.1558(1), of the Act provides, in part:

If, in the judgment of the emergency manager, no reasonable alternative to rectifying the financial emergency of the local government which is in receivership exists, then the emergency manager may recommend to the governor and the state treasurer that the local government be authorized to proceed under chapter 9. If the governor approves of the recommendation, the governor shall inform the state treasurer and the emergency manager in writing of the decision, with a copy to the superintendent of public instruction if the local government is a school district. The governor may place contingencies on a local government in order to proceed under chapter 9. Upon receipt of the written approval, the emergency manager is authorized to proceed under chapter 9.

Plaintiffs allege they are entitled to declaratory relief and a final judgment that the Act is unconstitutional because the Act does not prohibit the Governor from authorizing a Chapter 9 bankruptcy, which threatens to diminish or impair Plaintiffs' accrued pension benefits contrary to art 9, § 24. (Complaint, ¶26). Plaintiffs request relief and ask this Court to intrude upon the Governor's authority and discretion based on their speculation that the Governor might exercise his authority and approve a recommendation that the City proceed in bankruptcy; and that the City's pension funds might be detrimentally affected during a Chapter 9 proceeding in federal bankruptcy court. (Complaint, ¶27 and 28). But this Court should deny Plaintiffs' expedited

<sup>&</sup>lt;sup>1</sup> Const 1963, art 9, § 24 provides, in part: "The accrued financial benefits of each pension plan and retirement system of the state and its political subdivisions shall be a contractual obligation thereof which shall not be diminished or impaired thereby."

motion for declaratory relief or, alternatively, preliminary injunction and dismiss the Complaint because Plaintiffs lack standing to sue, their claim is unripe, their facial constitutional challenge fails as a matter of law, and they cannot satisfy any of the factors necessary for granting injunctive relief.

#### Argument

I. Plaintiffs' motion for expedited declaratory relief should be denied and their Complaint dismissed pursuant to MCR 2.116(C)(4), (C)(5), and (C)(8) because Plaintiffs' lack standing, their claim is unripe, and their facial constitutional challenge fails as a matter of law.

#### A. Standard of Review.

A party is entitled to summary disposition under MCR 2.116(C)(4) if the lower court "lacks jurisdiction of the subject matter." This Court must determine whether the affidavits, together with the pleadings, depositions, admissions, and documentary evidence demonstrate a lack of subject-matter jurisdiction. Toaz v Dep't of Treasury, 280 Mich App 457, 459, 459; 760 NW2d 325 (2008) (quotation omitted). "[S]ummary disposition [under MCR 2.116(C)(5)] is merited when the plaintiffs lack the capacity to sue. In reviewing these motions, [the] Court must consider the parties' pleadings, depositions, admissions, affidavits, and other documentary evidence to determine whether the defendant is entitled to judgment as a matter of law."-In re Estate of Quintero, 224 Mich App 682, 692; 569 NW2d 889 (1997). A motion brought under MCR 2.116(C)(8) tests the legal sufficiency of a claim based upon the pleadings alone. Maiden v Rozwood, 461 Mich 109, 119; 597 NW2d 817 (1999). The motion should be granted when a plaintiff's claims are "so clearly unenforceable as a matter of law that no factual development could possibly justify recovery." Id. (quotation omitted).

#### B. Analysis.

Plaintiffs have requested and moved for expedited treatment of their Complaint for declaratory and injunctive relief under MCR 2.605(D). Defendants do not object and agree that the matter should be accorded expedited review with the exception that judgment for Defendants should be entered. To that end, Defendants' have also moved for summary disposition under MCR 2.116(C)(4) (subject matter jurisdiction – ripeness), (C)(5) (capacity to sue – standing), and (C)(8) (failure to state a claim). This Court should waive or adjust the customary response time for such motions, and decide Defendants' motion concurrent with Plaintiffs' motion for accelerated judgment. As demonstrated below, this Court lacks jurisdiction to entertain Plaintiffs' Complaint because their claim is unripe, they do not have standing to bring this action, and their facial challenge fails as a matter of law. Further, a speedy resolution of this action is required to avoid adversely impacting the City of Detroit Emergency Manager's current efforts to reach a consensus that could achieve some financial stability for the City without recourse to bankruptcy. Delaying a resolution of this case would certainly have a negative impact on those efforts and send the wrong message to the citizens of Detroit and Michigan.

#### 1. Plaintiffs' lack standing to bring this action.

In Lansing School Education Ass'n v Lansing Board of Education,
487 Mich 349, 355, 372; 792 NW2d 686 (2010), the Michigan Supreme Court reinstated
Michigan's previous "prudential" standing test, which automatically conferred standing upon
any party who has a "legal cause of action," regardless of whether the underlying issue is
justiciable. "Under this approach, a litigant has standing whenever there is a legal cause of
action" or the requirements of MCR 2.605 to seek a declaratory judgment are satisfied. Id. at

13-53846-swr Doc 1219-4 Filed 10/17/13 Entered 10/17/13 13:56:17 Page 8 of 23 928 13-53846-tjt Doc 2334-26 Filed 12/27/13 Entered 12/27/13 13:37:04 Page 42 of

372. If a specific cause of action at law does not exist for the plaintiff, then the following applies:

A litigant may have standing in this context if the litigant has a special injury or right, or substantial interest, that will be detrimentally affected in a manner different from the citizenry at large or if the statutory scheme implies that the Legislature intended to confer standing on the litigant. [Id.]

In this case, Plaintiffs cannot meet even this liberalized standard.

a. Plaintiffs have not pled facts sufficient to establish a legal cause of action.

Plaintiffs have not pled facts sufficient to establish that a violation of their rights under Const 1963, art 9, § 24 has occurred or to establish that a cause of action exists under the Act; they do not even attempt to do so. Indeed, the Act expressly states that it provides no cause of action:

A cause of action against this state or any department, agency, or entity of this state, or any officer or employee of this state acting in his or her official capacity, or any membership of a receivership transition advisory board acting in his or her official capacity, may not be maintained for any activity authorized by this act, or for the act of a local government filing under chapter 9, including any proceeding following a local government's filing. [MCL 141.1572 (emphasis added).]

Plaintiffs further acknowledge that the Governor has not authorized a bankruptcy filing as required under the Act. MCL 141.1558(1). Moreover, there are other contingencies that would need to occur before any "threat" to Plaintiffs' pension benefits could arise because:

• Even with the filing of a bankruptcy action, the City of Detroit must meet additional requirements before the case may proceed including completing a Plan of Reorganization to adjust its debts. The City must either obtain an agreement from creditors holding a majority of the amount of claims of each class the debtor intends to impair under a plan, negotiate in good faith with creditors and fail to obtain an agreement of creditors holding a majority of the amount of claims of each class the debtor intends to impair under a plan, be unable to negotiate with creditors because it is impractical, or reasonably believe a creditor may attempt to obtain a preference. 11 USC 109(c). The plan would have to include the pension beneficiaries as a "class of creditors" and propose a reduction of benefits; and

5 13-53846-swr Doc 1219-4 Filed 10/17/13 Entered 10/17/13 13:56:17 Page 9 of 23 929 13-53846-tjt Doc 2334-26 Filed 12/27/13 Entered 12/27/13 13:37:04 Page 43 of The plan must be confirmed by the bankruptcy court. The plan must meet seven specific
criteria for confirmation, including that "the debtor is not prohibited by law from taking
any action necessary to carry out the plan." 11 USC 943(4).

No violation of art 9, § 24 could or would occur if the Governor authorizes the City of Detroit to proceed under Chapter 9 because the bankruptcy court would still have to find the City eligible for bankruptcy, and the court would have to approve a plan in bankruptcy that impairs vested pension benefits, or at least have such a plan presented to it.

Ignoring these contingencies, Plaintiffs' fact assertions center upon their alleged apprehension as to what *might* happen. Plaintiffs contend they are entitled to a declaratory judgment that the Act is facially unconstitutional because it "nowhere requires that in considering whether to approve an emergency manager's recommendation to proceed under Chapter 9, the Governor shall not approve such recommendation if accrued pension benefits may be diminished or impaired in violation of [art 9, § 24]." (Complaint, ¶ 18 and 19).

Accordingly, Plaintiffs assert, "because [the Act] does not prohibit a municipality from proceeding under Chapter 9 of the US Bankruptcy Code if accrued pension benefits may be unconstitutionally diminished or impaired, [the Act] is unconstitutional on its face in violation of" art 9, § 24. *Id.* This allegation mistakes the scope of the "authorization"—it is not-approval of the actual bankruptcy filing or plan—and presumes the Governor would act unconstitutionally.

Plaintiffs further allege that their:

[R]ights under the Michigan Constitution not to have their pension benefits "diminished or impaired" can only be guaranteed if this Court acts before the Governor approves a request to proceed under Chapter 9. Moreover, Emergency Manager Orr's threats that he will unconstitutionally diminish or impair Plaintiffs' vested pension rights have themselves harmed Plaintiffs by instilling in Plaintiffs a reasonable fear that their constitutional rights will be trampled upon and, in the process, their future source of income drastically eroded. [Complaint, ¶ 28.]

This Court cannot assume that there will be a Chapter 9 bankruptcy proceeding involving the City of Detroit. The Governor has not yet authorized such a proceeding at this time nor has the Governor had the opportunity to disapprove, approve, or approve and "place contingencies on a local government in order to proceed under chapter 9," as provided for in MCL 141.1558(1). And even if the Court assumes that there will be a Chapter 9 proceeding, this Court cannot assume what the contents of the City's plan might be, or that the federal bankruptcy court will approve a plan that will diminish or impair Plaintiffs' pension benefits. Because Plaintiffs' claim is based on a speculative threat of future injury, they have failed to allege a legal cause of action for which they have standing to seek relief from this Court. Lansing School Education Ass'n, 487 Mich at 372.

#### b. Plaintiffs do not meet the requirements of MCR 2.605.

With respect to declaratory judgment actions, MCR 2.605(A)(1) provides:

In a case of actual controversy within its jurisdiction, a Michigan court of record may declare the rights and other legal relations of an interested party seeking a declaratory judgment, whether or not other relief is or could be sought or granted. [Emphasis added.]

MCR 2.605 "does not limit or expand the subject-matter jurisdiction of the courts, but instead incorporates the doctrines of standing, ripeness, and mootness." UAW v Central Mich Univ Trustees, 295 Mich App 486, 495; 815 NW2d-132 (2012). "The existence of an 'actual controversy' is a condition precedent to invocation of declaratory relief." Shavers v Attorney General, 402 Mich 554, 588; 267 NW2d 72 (1978); see also Genesis Ctr., PLC v Comm'r of Financial & Ins Servs, 246 Mich App 531, 544; 633 NW2d 834 (2001). "An 'actual controversy' ... exists when a declaratory judgment is necessary to guide a plaintiff's future conduct in order to preserve legal rights. The requirement prevents a court from deciding hypothetical issues." UAW, 295 Mich App at 495 (citations omitted) (footnotes omitted). "The

essential requirement of an 'actual controversy' under the rule is that the plaintiff pleads and proves facts that demonstrate an '"' 'adverse interest necessitating the sharpening of the issues raised.'"' '" Id. (citations omitted) (footnotes omitted).

As discussed above, the parties are many steps away from a point at which an actual controversy will exist between them. Presently, the possibility of Chapter 9 bankruptcy represents only a possibility, and thus whether Plaintiffs' pension benefits might be impacted somewhere in the future in a bankruptcy proceeding is purely speculative. Thus, the Plaintiffs' interests and the Governor's, Treasurer's, and State's interests are not yet adverse, and therefore no sharpening of the issues through issuance of a declaratory judgment is required. Plaintiffs have failed to satisfy the requirements of MCR 2.605, and do not have standing to seek relief from this Court. Lansing School Education Ass'n, 487 Mich at 372.

c. Plaintiffs have not established a special injury, right, or substantial interest that will be detrimentally affected in a manner different from that of the citizenry at large.

Even where there is no cause of action provided at law, a court may, in its discretion, determine whether a litigant has standing. *Lansing Schools*, 487 Mich at 372. This requires a showing that the litigant has a special injury or right, or substantial interest, that will be detrimentally affected in a manner different from the citizenry at large or if the statutory scheme implies that the Legislature intended to confer standing on the litigant.

Here, as noted above, the Legislature did not intend to confer standing on any person to challenge the Act. Rather, it expressly provided that there is no cause of action under the Act. MCL 141.1572. And even if Plaintiffs have a special injury, right or interest based on their participation in the City's pension plan, which Defendants do not concede, it is not at all certain that this interest will be detrimentally affected. Again, no authorization to proceed in a Chapter 9

bankruptcy with respect to the City has been made, it remains hypothetical. It is also speculative to assume that Plaintiffs' pensions will be part of any bankruptcy proceeding. Moreover, a Chapter 9 bankruptcy proceeding affords various interested parties protections under the federal Bankruptcy Code.

Bankruptcy Code provisions applicable to a Chapter 9 bankruptcy are set forth under 11 USC 901(a). For instance, § 943, 11 USC 943, of the Bankruptcy Code regulates confirmation of a debtor's plan of adjustment. Section 943(b) sets forth seven criteria that must be met before a federal Bankruptcy Court can confirm the plan. The fourth and seventh requirements are noteworthy here. The fourth criteria requires the bankruptcy court determine "the debtor is not prohibited by law from taking any action necessary to carry out the plan." 11 USC 943(b)(4). The seventh criteria requires a determination that the plan be in the best interest of creditors, and that it be feasible. 11 USC 943(b)(7).

At this time, it is purely speculative as to whether Plaintiffs' interests will be detrimentally affected should the Governor authorize the City to proceed in Chapter 9. Plaintiffs therefore do not have standing to seek relief from this Court. Lansing School Education Ass'n, 487 Mich at 372.

#### 3. Plaintiffs' alleged constitutional claim is not ripe for review.

While both standing and ripeness are justiciability doctrines that assess pending claims to discern whether an actual or imminent injury in fact is present, they address different underlying concerns. *Michigan Chiropractic Council v Comm'r of Ins*, 475 Mich 363, 378-379; 716 NW2d 561 (2006). The standing doctrine "is designed to determine whether a particular party may properly litigate the asserted claim for relief." *Id.*, at 379. The ripeness doctrine, on the other hand, "does not focus on the suitability of the party; rather, ripeness focuses on the *timing* of the

action." *Id.* (emphasis in original). The ripeness doctrine precludes the adjudication of hypothetical or contingent claims before an actual injury has been sustained. An action is not ripe if it rests on contingent future events that may not occur as anticipated or may not occur at all. *Id.*, at 371 n. 14.

bankruptcy could represent what they characterize as a "threat" to their interests in their pensions is not ripe because it rests on contingent future events that may or may not occur, to wit; that the Governor will approve proceeding in Chapter 9, that the approval will be without any contingencies, and that their pensions will be impaired as a result of the federal bankruptcy proceeding. Under these circumstances, this Court should dismiss Plaintiffs' Complaint as unripe for review. See *Strauss v Governor*, 459 Mich 526, 544, 545 n. 14; 592 NW2d 53 (1999), quoting *Straus v Governor*, 230 Mich App 222; 583 NW2d 520 (1998) (citation omitted) ("unless and until such [a constitutional] encroachment actually occurs, the issue is not ripe for adjudication," and "[w]here a constitutional question is presented anticipatorily, the Court is required by the limits on its authority to decline to rule.").

# 4. Plaintiffs' complaint fails to state a claim upon which this Court may grant relief.

Plaintiffs bring a facial constitutional challenge to the Local Financial Stability and Choice Act. They broadly assert that the Act is unconstitutional under Const 1963, art 9, § 24 because it empowers the Governor to authorize a proceeding in Chapter 9. (Complaint, ¶ 19).

"A facial challenge is a claim that the law is 'invalid in toto - and therefore incapable of any valid application. . . . '" In re Request for Advisory Opinion Regarding Constitutionality of 2005 PA 71, 479 Mich 1, 11 n 20; 740 NW2d 444 (2007) (citation omitted) (emphasis in original). "A party challenging the facial constitutionality of a statute faces an extremely

rigorous standard, and must show that no set of circumstances exists under which the [a]ct would be valid." *Id.* at 11 (internal quotation marks and citation omitted). Plaintiffs cannot satisfy this standard.

As discussed above, § 18(1) of the Act, MCL 141.1558(1), simply authorizes an emergency manager to recommend, and the Governor to authorize, proceeding under Chapter 9. It is silent with respect to what course of action an emergency manager should pursue in bankruptcy, including how a local government unit's assets and liabilities should be treated in bankruptcy. And relevant here, it does not require any particular treatment of pension funds. Indeed, section 18 does not even mention or allude to pension funds. Compare this to section 12(1)(m), MCL 141.1552(1)(m), of the Act, which describes an emergency manager's authority and duties with respect to a "municipal government's pension fund." Thus, nothing in the Act compels or requires any impairment of Plaintiffs' pension benefits contrary to art 9, § 24. The Act is therefore not facially unconstitutional. Moreover, Plaintiffs clearly cannot establish "that no set of circumstances exists under which the [a]ct would be valid," because the Governor could place a contingency eliminating the pension fund, payments and liabilities from a Chapter 9 proceeding. Additionally, the City may not include the pension funds, payments and liabilities in its plan; or the federal court may determine that federal bankruptcy law controls the analysis. Plaintiffs' facial constitutional challenge to the Act thus fails as a matter of law, and should be dismissed.

II. Plaintiffs' alternative request for preliminary injunctive relief is premature, overbroad, and constitutionally infirm, and fails to satisfy the four requirements for issuance of a preliminary injunction.

Injunctive relief is an extraordinary remedy that issues only when justice requires, there is no adequate remedy at law, and there exists a real and imminent danger of irreparable injury.

MCR 3.310(A); Davis v City of Detroit Financial Review Team, 296 Mich App 568, 613-614; 821 NW2d 896 (2012); Michigan Coalition of State Employee Unions, et al v Civil Service Commission, 465 Mich 212, 226, n 11; 634 NW2d 692 (2001). In order to obtain a preliminary injunction, a plaintiff must prove that (1) he is likely to prevail on the merits; (2) he will be irreparably harmed if an injunction is not issued; (3) the harm to him absent an injunction outweighs the harm that an injunction would cause the defendants; and (4) there will be no harm to the public interest if an injunction is issued. Detroit Fire Fighters Ass'n v Detroit, 482 Mich 18, 34; 753 NW2d 579 (2008). A court's exercise of its discretion to consider injunctive relief may not be arbitrary, but rather must be in accordance with the fixed principles of equity jurisdiction and the evidence in the case. Jeffrey v Clinton Twp, 195 Mich App 260, 263; 489 NW2d 211 (1992). When seeking injunctive relief, the plaintiff has the burden of proof on each of these factors. MCR 3.310(A)(4). Plaintiffs have not met their burden here, and their motion should be denied.

# A. Plaintiffs' alternative request for preliminary injunctive relief is premature, overbroad, and constitutionally infirm.

Plaintiffs alternatively seek a preliminary injunction. But Plaintiffs' request should be denied because it is premature, overbroad, and unsupported by precedent.

This Court "at all times is required to question sua sponte its own jurisdiction (whether over a person, the subject matter of an action, or the limits on the relief it may afford)." Strauss, 459 Mich at 532, quoting Straus, 230 Mich App 222 (citation omitted) (emphasis added). In Strauss, the Michigan Supreme Court, in adopting the Court of Appeals' opinion, expressed "doubt with respect to the propriety of injunctive relief against the Governor," and observed that "separation of powers principles, preclude mandatory injunctive relief, mandamus, against the Governor." Id. (citations omitted) (emphasis added). The Court further observed that whether the same

reasoning also precludes "prohibitory injunctive relief" was an open question "that need not be resolved in [that] case." *Id.* (emphasis added). However, the Court also recognized, if not emphasized that

declaratory relief normally will suffice to induce the legislative and executive branches, the principal members of which have taken oaths of fealty to the constitution identical to that taken by the judiciary, to conform their actions to constitutional requirements or confine them within constitutional limits. Only when declaratory relief has failed should the courts even begin to consider additional forms of relief in these situations. [Id. (emphasis added). See also Davis v City of Detroit Financial Review Team, 296 Mich App 568, 614, 632-635; 821 NW2d 896 (2012) (O'Connell, J., concurring).]

There is then almost a presumption that injunctive relief, of any kind, may not be entered against the Governor unless declaratory relief has failed. That has not happened here. Their request for an injunction should thus be denied as a premature.

Plaintiffs' request for injunctive relief should also be denied because it is overbroad.

Plaintiffs ask this Court to enjoin the Governor from authorizing any bankruptcy for the City of Detroit. (Complaint, ¶31-34). This would include a bankruptcy proceeding in which pension funds were not at issue or at risk. Additionally, the authorization Plaintiffs seek to enjoin is to proceed in Chapter 9 only, not the actual bankruptcy Petition or plan. This court cannot determine, based on the record Plaintiffs' present, how any bankruptcy proceeding for the City of Detroit, if filed, may impact their pension benefits or if at all, until the bankruptcy plan is filed with the bankruptcy court and ultimately confirmed. 11 USC 943. Plaintiffs alleged constitutional violation and claimed injury is currently nothing more than pure speculation.

Thus, Plaintiffs' request should be denied to the extent it is overbroad and not narrowly tailored to the facts and legal arguments.

Finally, Plaintiffs' request for injunctive relief should be denied to the extent it is a request for mandatory injunctive relief. Although Plaintiffs' have couched their request for

injunctive relief in prohibitory language, in reality they seek to compel the Governor to exercise his discretion in a particular manner.

Under § 18(1), MCL 141.1558(1), the Governor may (1) disapprove the recommendation; (2) approve the recommendation; or (3) approve the recommendation and place contingencies on the local government in proceeding under Chapter 9. Plaintiffs' seek to have this Court compel the Governor to exercise the first option, disapproval. But it is clear that this Court cannot constitutionally issue a mandatory injunction compelling the Governor to exercise his discretion and act in a particular manner. Strauss, 459 Mich at 532. See also Flint City Council v State of Michigan, 253 Mich App 378, 387; 655 NW2d 604 (2002) (Observing that Court had previously reversed circuit court "[b]ecause the court's order . . . required the Governor to take specific, court-ordered action, . . . in the nature of mandamus and in violation of the Michigan constitution"); Musselman v Governor, 200 Mich App 656, 662; 505 NW2d 288 (1993) ("mandamus will not lie to compel the Governor to act, regardless of whether the actions sought to be compelled are discretionary or ministerial"). Accordingly, Plaintiffs' request for preliminary or permanent injunctive relief must be denied.

- B. Plaintiffs have failed to satisfy any of the four requirements for issuance of a preliminary injunction.
  - 1. Plaintiffs are not likely to succeed on the merits.

Plaintiffs cannot demonstrate a substantial likelihood of success on the merits of their claim that the Act is unconstitutional under art 9, § 24 because, as set-forth above in Argument I, they lack standing to sue; their claim is unripe; and their facial constitutional challenge fails as a matter of a law.

## 2. Plaintiffs will not suffer irreparable harm if an injunction is not issued.

Again, if justiciable, the underlying issue in this case is properly raised in the federal Bankruptcy Court in the context of the actual bankruptcy plan during the confirmation process and not in the state trial court. 11 USC 943. Plaintiffs' legal claims would ripen only if and when a bankruptcy proceeding includes a possible reduction or adverse impact on their pension benefits. It is in that forum, in the context of the specific bankruptcy plan, that these legal issues should be addressed and resolved. Because Plaintiffs have a legal remedy – litigation in the context of the bankruptcy action –they will not suffer irreparable harm if an injunction is not issued now. They have identified no immediate threat to their pension benefits.

# 3. Defendants would be harmed more by the granting of the relief than would Plaintiffs in the absence of an injunction.

While Plaintiffs retain their access to the remedies set forth in the federal Bankruptcy

Code without need of court-granted injunctive relief, the grant of Plaintiffs' alternative motion

for preliminary injunction would harm Defendants, the operation of state government, the City of

Detroit and its fiscal recovery. As discussed above, the grant of such relief would require that

this Court disregard the separation of powers doctrine. Const 1963, art 3, § 2. The granting of

such relief also would unlawfully intrude on the Governor's executive powers to authorize a

Chapter 9 bankruptcy under section 18 of the Act, MCL 141.1558, by barring him from

implementing the Act. The breadth of the injunction sought would preclude the authorization of

any bankruptcy proceeding thereby prohibiting the State, the Emergency Manager and the City

of Detroit from accessing an important tool for resolution of the existing fiscal crisis. The

impact on the State's and City's economy would be devastating and the consequent impact on

Plaintiffs pension benefits potentially worse than any bankruptcy action would produce.

# 4. The harm to the public interest if the injunction is issued is readily apparent.

In that Defendants would be harmed more by the granting of the injunctive relief than would Plaintiffs in the absence of an injunction, likewise the public at large will be harmed for the same reasons. An affront to the separation of powers doctrine and an unlawful intrusion into the Governor's executive powers can never be in the public interest.

The administration of any statute is essentially a matter of public and not of individual concern. Accordingly, in this case, the public is not benefited by a court order that would bar the Governor from authorizing a Chapter 9 bankruptcy under section 18 of the Act, MCL 141.1558.

Furthermore, improper interference with these gubernatorial powers directly contravenes the Act's measures to "assure the fiscal accountability of the local government and the local government's capacity to provide or cause to be provided necessary governmental services essential to the public health, safety, and welfare." MCL 141.1549(2). An injunction would place the citizens of the City of Detroit at greater risk because it would eliminate access to an important tool to resolve the existing fiscal crisis, causing further detrimental impact to public safety, services, and welfare.

For all of these reasons, the Court's issuance of injunctive relief or other such relief would be unwarranted and inappropriate.

#### **Conclusion and Relief Requested**

For the reasons stated above, Defendants respectfully request that this Honorable Court deny Plaintiffs' motion for expedited declaratory relief and/or for a preliminary injunction, and grant Defendants' motion for summary disposition dismissing Plaintiffs' Complaint under MCR 2.116(C)(4), (5), and (8) with prejudice.

Respectfully submitted,
